BUSINESS Credit Cards

The Elan Rewards Program is subject to change. Rewards are earned on eligible net purchases. Net purchases are purchases minus credits and returns. Not all transactions are eligible to earn rewards, such as Advances, Balance Transfers and Convenience Checks. Upon approval, see your Cardmember Agreement for details. You may not redeem rewards, and you will immediately lose all of your rewards, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, failure to pay, bankruptcy, or death). Points expire five years from the end of the quarter in which they are earned.

1 - Business Real Rewards Card: You will earn 1.5 Points for every dollar in eligible net purchases charged to your Account during each billing cycle (equal to 1.5% cash back). Monthly net purchase points will be applied each billing cycle.

2 - Business Real Rewards and Business Cash Preferred Cards: First purchase bonus will be applied 6 to 8 weeks after first purchase and is not awarded for balance transfers or cash advances. First use bonus is awarded only on the Authorized Officer purchases.

3 - Business Real Rewards and Smart Business Rewards Cards: Reward points can be redeemed as a cash deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles or as a Rewards Card (\$25 minimum redemption).

4 - Business Cash Preferred Card: You will earn 3% cash back for every dollar in eligible net purchases at merchants classified as electric vehicle charging or gas stations, office supply stores, dining, restaurants, fast-food restaurants, bars, food delivery services and cell phone service providers. All other eligible net purchases will earn 1% cash back. Purchases of gasoline or electric vehicle charging greater than \$200 will not be deemed to be a purchase of automotive fuel and as such will earn a reward of 1%. Cash rewards can be redeemed as a deposit to a checking or savings account with this Financial Institution only, which will be deposited within seven business days, or as a statement credit to your credit card account, which will be deposited within one to two billing cycles, a Rewards Card, Real-Time Rewards or Pay with Rewards when you checkout with PayPal. Purchases qualify for cash back based on how merchants choose to classify their business and we reserve the right to determine which purchases qualify.

5 - Business Cash Preferred Card: An automatic statement credit of \$100 per 12-month period will be applied to your Business Cash Preferred Account within 2 statement billing cycles following 11 consecutive months of eligible software service purchases made directly with a software service provider. We reserve the right to adjust or reverse any portion or all of any software services credit for unauthorized purchases or transaction credits.

6 - Smart Business Rewards Card: You will earn 1 Point for every dollar in eligible net purchases charged to your Account during each billing cycle. In addition, you will earn 1 additional bonus Point (for a total of 2 Points) for every dollar in eligible net purchases in your top two highest merchant spend categories ("Highest Categories") each billing cycle. Highest Categories can change with each billing cycle, depending on your purchase behavior during a particular billing cycle. Highest Categories automatically adjust to reward you on where you spend the most. Some exclusions apply. Please visit <https://card.myaccountaccess.com/smartbusinessVisa> to see the full list of eligible merchant categories. Purchases qualify for Points based on how merchants choose to classify their business and we reserve the right to determine which purchases qualify.
