## Nebraska Bank Awards Eleven College Scholarships

Since 2018, NEBRASKA BANK has actively invested in the business and agriculture leaders of tomorrow through the NEBRASKA BANK Scholarship program. As of April 2025, the Bank has awarded \$64,000 in education scholarships to high school seniors across the state.

For consideration, applicants must have expressed interest in pursuing a banking, business, or an agriculture-related degree. In addition, the scholarship program is intended to assist in growing the state's talent pool, limiting applications to students planning to attend Nebraska colleges or universities. Lastly, selected recipients have also demonstrated an exceptional interest in community as well as the ability to balance academics and extracurricular activities during high school.

Nebraska Bank is pleased to announce the following 2025 Nebraska Bank Scholarship recipients. Each winning applicant will receive a \$1,000 scholarship toward their education this fall.
